Built to lead. Designed to scale.

JB

Jennifer Brown, MBA, LMSW-IPR

An executive story of people, systems, economics, and sustainable growth.

People before positions.

JB

Provider acquisition • Clinical recruitment • Retention

Recruiting, qualifying, training, and retaining specialized clinical providers and therapeutic foster parents.

Design the system first.

JB

Salesforce • Recruitment pipelines • Workflow design

Early Salesforce implementation for recruitment management, lead qualification, and repeatable operating processes.

Make the economics work.

JB

Forecasting • Capacity • EBITDA

Multi-office operations; census-driven financial forecasting; staffing and provider capacity aligned with demand.

Efficiency makes scale possible.

JB

Multistate partnerships • Cross-functional execution • AI

Enterprise healthcare growth, talent development, and practical AI use cases supporting operational improvement.

Diagnose. Design. Enable. Scale.

JB

Healthcare growth & operations leadership

A career combining clinical expertise, entrepreneurship since 2009, financial discipline, and technology-enabled transformation.
